3) Petition to remove the Hazel Dr. Special Permit Application hearing from the Planning & Zoning meeting agenda until in person meetings resume and the signing residents can actively participate

Petition summary and background

We are requesting to have the Hazel Dr. Special Permit Application hearing removed from the Planning & Zoning meeting agenda currently scheduled for July 13, 2020. In light of Covid, this meeting is currently set up for public access to be made available only through live streaming on YouTube. This will allow for viewing only and will give us no opportunity to voice our concerns or questions in real time during the meeting. Therefore, we are asking for this permit application hearing to be postponed until we can meet in person. As we must/should to have the opportunity to actively participate in live time, and not watch on YouTube.

Action petitioned for

We, the undersigned, are concerned citizens who urge our leaders to act now and remove this special permit application from the July 13, 2020 meeting and reschedule when it can be held in person.
