TOWN OF CHESHIRE

Department of Public Works and Engineering
84 South Main Street, Cheshire, Connecticut 06410
Phone: 203-271-6650 Fax: 203-271-6659

DATE: October 23, 2020
TO: Planning & Zoning
FROM:  Engineering Department
SUBJECT: Two-lot Subdivision, 362 Talmadge Rd.

We have reviewed the revised plans, report, and engineer's response letter, which satisfactorily address our previous comments. We would however, wish to reserve the right to review the final site plan at time of building permit application (and inspect the site prior to certificate of occupancy) in order to ensure that the proposed sump pump outlet does not discharge water into the street.
