TO: Planning and Zoning  
FROM: <sup>AV</sup> Engineering Department  
SUBJECT: Proposed Starbucks Restaurant; Nosal; 944 South Main St.

---

We have reviewed the revised site development plans, engineer's response letter, and floodplain certification letter, all dated 2/3/21. These documents satisfactorily address our previous comments. We recommend that the post-construction survey be required to include elevations within the flood zone and that the engineer of record submits a letter stating the grading was completed is in conformance with the approved plans.
