

## Town of Cheshire Open Space Properties

### Grants and Conservation Easement Restrictions From Funding Sources

The following list identifies publicly owned open space properties purchased with funding sources mandating conservation restrictions, limiting the use of the property to passive recreation. The list does not reflect site specific environmental conditions that may limit development potential, such as topography, wetland soils, and access. The properties listed may have been purchased thru referendum for passive recreation use, the details of which are not reflected in the list below.
