Meeting called to order at 4:10pm

The committee discussed the plans titled "Alterations To The East Gym Locker Rooms" produced by BL Companies, and dated December 25, 2011.

Mr. Purtill asked if a cover over the walkway was required. Mr. Rioux stated that an awning could be installed if desired or required by the building official.

Mr. Purtill asked if the proposed budget was still valid? Mr. Rioux stated that the work is estimated to cost approximately 10% more. Estimates were done in December, 2011.

ADA/civil rights issues were discussed. No ADA facilities exist at the field unless portable handicapped toilets are brought in for large events.

To acquire 40% State reimbursement, the Town would have to apply for funding by June 1, 2013. An answer would be given by June 1, 2014, and construction would begin in the summer of 2015.

Committee members feel that they need more time to study the drawings in order to make an informed recommendation.

Mr. Nash made a motion to adjourn the meeting. Motion seconded by Mr. Barba and carried unanimously.

Meeting adjourned at 5:35pm
