The meeting was called to order at 4:00pm.

A discussion was held regarding the plantings in the senior courtyard to replace the expected loss of trees due to construction. This will complement new tables and other enhancements that the school plans for this area. Replacement of the existing bituminous sidewalk with concrete or pavers will also be considered. The school staff and selected students will develop some ideas to propose to the committee.

Motion by Mr. Nash to adjourn. Motion seconded by Mr. Barba and carried unanimously. Meeting adjourned at 4:35pm.
