

Public Building Commission  
December 10, 2013 – 5:30pm  
Cheshire High School Partial Roof Replacement

Present: Mr. Vin Robitaille, Committee Chairman  
Mr. Dan Marseglia, Cheshire Public Schools  
Mr. Vin Masciana, Cheshire Public Schools  
Mr. George Noewatne, Director of Public Works & Engineering

The meeting was called to order at 5:45pm

This project is intended to replace approximately 8,000 sf of built up roof over the old band room/west gym lockers, during the summer of 2014.

The plan is to go with a 30 year, TPO membrane, which is the Town standard.

The roof is eligible for reimbursement through the Connecticut Office of School Facilities.

The appropriation for this project is \$200,000.

The committee will consider using BL Companies as the design professional, or advertise an RFP if that is not feasible.

Chemscope will test the roof for asbestos and for PCBs.

Motion to adjourn by Mr. Robitaille. Meeting adjourned at 6:05pm.
