

## **PLANNING & ZONING COMMISSION**

### **Public Notice Registry**

The Cheshire Planning and Zoning Commission has established a Public Notice registry pursuant to Public Act 06-80. Landowners and Electors of the Town of Cheshire as well as non-profit organizations may request to be placed on the Registry. Those placed on the Registry will receive advance notice by mail or email of Public Hearings associated with any proposed changes which are initiated by the Planning and Zoning Commission, to the Zoning or Subdivision Regulations, zoning designations or Plan of Conservation and Development.

The Public Notice Registry does *not* apply to applications submitted by the public. If you would like to be added to the Public Notice registry or would like further information, please contact the Planning and Development Department, Cheshire Town Hall, 84 South Main Street, Cheshire, CT 06410 at 203-271-6670.
